

Aviation Buyer's Directory is a fifty year old directory for the aviation/aerospace industry. The book is published quarterly, four times per year. We carry over 500 advertisers, large and small, from some of the

largest corporations in the world to some of the smallest. The circulation of the directory is 20,000 copies worldwide to buyers and maintenance personnel on all levels of the industry - OEM, military, airlines, regional and commuter airlines, corporate aviation, F.B.O.'s, parts distributors, service facilities, etc. The directory contains a wealth of other helpful and timely information to assist buyers, purchasing agents and maintenance personnel in the smooth, cost effective running of their business.

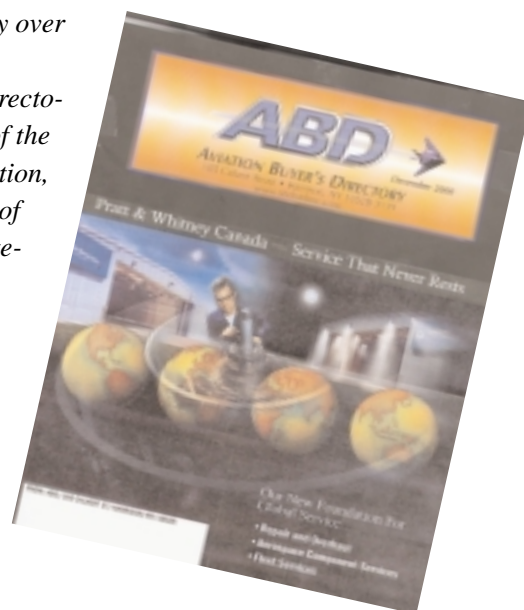

A.B.D. is one of the most inexpensive mediums in aviation/aerospace while at the same time reaching qualified buyers at the "point of purchase" moment. If you should have any questions, want more information, or would like to advertise or subscribe to ABD, feel free to contact us at (914) 242-8700.

Thank you in advance for your time and cooperation.

Sincerely,
